

# CONSOLIDATING OUR ENVIABLE HERITAGE

Seeing the Invisible Future

Heb. 12: 1-2.

# Envisioning

- A deep connection to our Base
- Confidence and trust to pursue
- Hunger and Passion
- A dogged Resolve to accomplish

# Necessary Conditions -

- Passion
- Purpose
- Perspective
- Self-Discipline
- Accountability – Responsible Stewardship
- Consciousness of the Finish Line
- Understanding the Concept of being in a Race.

# Our Focus-

- Ensuring Teaching Quality across board for all our teaching and consciously driving it.
- Working towards the galvanizing of the resources within the college – human, time and physical resources in ensuring efficiency as well as building powerful partnerships that will enable the development of synergies across Units and Departments.
- Facilitating research and development clusters. For us to gain academic distinction we must build a critical mass of academics in key areas where our existing programmes and current staff recruitment offer us a competitive advantage while again as always encourage synergies across academic units and help create the research provide the robustness that we have long desired.

# PUSHING AHEAD

- Breaking with practices of old – conventional and traditional ways which may pose traps.
- Hard work and missionary zeal to setting new standards in realizing our vision.
- Understanding our our current context –getting to a point of delivery.

We must not drop  
the batten but hold  
it to the end and  
deliver to the  
finish line with  
flourish
